

## **Notice inviting applications for registration with OMC Ltd. for participation in National E-auction of Bauxite**

As instructed by the Deptt. Of Steel & Mines, Govt. of Odisha vide Notification No. 1323/SM dt. 24.02.2018, Odisha Mining Corporation Ltd. (OMC) shall henceforth sell its 30% of the saleable stock of Bauxite through national e-auction. The MSTC Ltd. (A Govt. of India Undertaking) shall conduct the e-auction of the above mineral through its web portal on behalf of OMC Ltd. The buyers who will register their names with OMC Ltd. in response to this notice shall be allowed to participate in the e-auction subject to satisfying the eligibility criteria. The buyers having the following eligibility criteria may apply for participation in the national e-auction. The tentative grade shall be 38-45% Alumina and less than 5% Silica.

### **1. Eligibility Criteria for participation in national e-auction.**

#### Bauxite

(a) End- user Industries of Bauxite.

(b) State based end-user Industries with whom long term linkage shall be established.

(c) No traders will be allowed to take part in national e-auction.

(d) The intending participants for e-auction for purchase of bauxite shall submit the following documents for their registration with OMC Ltd.:

- i) Memorandum & Articles of Association of the Company or/and DIC Registration Certificate.
- ii) Consent to operate from State Pollution Control Board.
- iii) Copy of GST Registration Certificate & PAN.

- iv) IBM Registration Certificate under Rule 45 of MCDR (Amendment) 2011.
- v) Trading License from concerned Directorate of Mines.
- vi) Plant capacity in terms of finished product. Whether the Plant is in operation in full capacity or partly or yet to be commissioned.
- vii) Factory License.
- viii) Requirement of Bauxite per annum.
- ix) If the applicant has any long-term purchase agreement made with any other lessee within the State of Odisha. If yes, the quantity signed for long-term linkage with the lessee has to be mentioned.
- x) Whether the applicant has mining lease or not. An affidavit to this effect from the Notary is to be produced. In case the Company has a mining lease, the authorized production capacity of the mines as reflected in the EC may be furnished. In case of operating mines, the production for last 3 years may be given.
- xi) Year-wise consumption of bauxite during last 3(three) years along with the source from which this has been received. Return to IBM & Director of Mines in support of above may be furnished.

Empanelment of new buyers of the above categories shall always be allowed for participation in national e-auction.

The application covering the required information along with the prescribed documents may be sent to the MD, OMC, OMC House, P.B. No. 34, Bhubaneswar - 751001 **by 20.09.2019.**
